

Shoe-box appeal

For over 20 years The New Hope Trust has taken thousands of parcels to the desperately needy in Eastern Europe, particularly orphans.

Schools, clubs, groups, churches, organisations and individuals play a big part each year in donating parcels and clothing—enabling us to help thousands of orphans. Can you help? Contact us today.

*Your parcels need to
be with us by the
last Friday of November*

How to pack your parcel

Take an empty shoe-box, wrap the lid and box separately (this is a customs requirement).

Fill the shoe-box with appropriate items. Tear off the slip (overleaf) indicating what is enclosed in the parcel and write the age group and gender the parcel is for.

Please attach the slip and £2 to the OUTSIDE of each parcel, as this will help pay for the transport costs. If you would prefer to write a cheque, please make it payable to 'The New Hope Trust' and place in a sealed envelope on the top of the parcel.

Please use elastic bands to secure the lid to the box this will help us greatly. Thank you.

This year you can also donate £2 for each parcel by mobile phone. Text CMAS21 £2 to 70070

Christmas "shoe-box" Appeal

New Hope for orphans....

Providence Orphanage is now fully refurbished and operational. Along with the running costs for the building, we are responsible for the feeding, clothing and overall care of the orphans that will live there. We also support orphanages across Moldova.

With a number of safe houses already built and more being built, the ongoing need for funds, clothing, food, toiletries, etc is as great as ever—***these orphans need YOUR help—all year round.*** Please help. All donations will make a difference.
